

Welcome back Checklist:

How to contact the Fonterra Milk for Schools team:
0800 900 070 (option 1)
contact@fonterramilkforschools.com

Turn fridge on

Check the Best Before Dates of the milk cartons before loading your fridge. Ensure those closest to reaching the Best Before Date are consumed first.

HANDY TIP: *Stack the oldest milk cartons on top. Finish one shelf before moving to the next to avoid expired milk.*

Load the fridge with Fonterra Milk for Schools milk at least 24 hours before school starts to ensure the milk is cool.

HANDY TIP: *Remember to leave a small gap between cartons to allow air flow and the milk to chill.*

Any expired milk will be collected by your Anchor Milk Team. The Fonterra Milk for Schools team will arrange the collection, please contact us to confirm the quantity of expired milk to be returned.

All schools should receive a delivery within the first two weeks of term. Please contact your Anchor Milk Team for any urgent milk deliveries.

HANDY TIP: *You can find your Anchor Milk Team contact details by logging in to your School Profile.*

Place a bin liner in all small 80L bins. Contact your Anchor Milk Team if you require additional bin liners. Please note that no bin liner bags are provided, or intended, for the large 240L recycling bins.

Ensure large 240L recycling bins are in a location easily accessible by your Anchor Milk Team. If the location has changed, please inform your Anchor Milk Team.

If you are new to the programme, or require a refresher, please refer to our Programme Manual and Go-to Guides. These can be found on your School Profile.

Our Mr. Jones video series is a great introduction for anyone new to the programme, and a great reminder after the long break!

VIDEO 1 – for the whole school, e.g. school assembly.

VIDEO 2 – in-class before or during your first milk moment to remind everyone how to correctly fold the milk packs.

VIDEO 3 – for your Milk Monitors.

Most importantly – enjoy your milk!

If you have any questions, concerns or feedback, please don't hesitate to get in touch with our team. We're here to help!
